Vision Day

- General felt it was a very good evening with good turn out.

- Thanks noted to IJ and JS for support in venue and equipment.
- DW going through comments board but pleased with points raised as majority seemed constructive and sensible.
- Still a number of people confused over the two different plans.
- No major negatives from the evening reported so far.
- Agreed to extend online survey to one more week and draw the prize on the 9 December - Agreed.
- George was keen to get up to 200 responses to ensure that we had a good spread

Planning process and document

- DW expressed concern that they maybe still members of the WCNP upset about the split and keen to wipe the table clean. DW to attend next meeting.
- DW to investigate recruiting a policy writer in the coming weeks as time scales are very tight.
- DW show project plan with delivery date of referendum as 15 Apr 2015. Not clear why this date was chosen but group to consider if this should be moved - Noted that elections were in May so a later date would have to avoid that.
- PR to chase up plans from RBWM
- Suggested we get a representative from St Leonards Road as a number of issues being raised there and businesses had been approached by WCNP members.

Date of next meeting 9 December 2014
